What to wear

It's always good to layer. Since you'll most likely be departing either late in the evening or in the early morning make sure to bring clothes that are comfortable and will keep you nice and warm. If it's hot, shorts and t-shirts are fine but bring a sweatshirt for the morning hours. If it's cool wear jeans and make sure to bring a warm sweatshirt or windbreaker. We recommend wearing flat non-slip shoes. You could always bring a change of clothes just in case you get wet!

What to Bring

- Fishing Licenses (You can purchase your license online at www.dfg.ca.gov)
- Food and drinks
- Make sure to pack your food in a cooler... you can also use it to bring home your fish.
- There is a microwave on the boat
- Sea sickness medication such as Bonine or Dramamine
- If you get seasick you could take this before you get on the boat
- Camera
- Sunblock

For overnight trips we provide pillows and blankets. You should pack an overnight bag with a change of clothes, toothbrush, toothpaste and anything else that you need including prescribed medication.
